Re: Armstrong Professional Services (APS)

To Whom It May Concern:

I hired APS upon the recommendation of a colleague and have been extremely happy. Mr. Armstrong created a fast, reliable system using components from our existing one. His creativity, eye for detail and ability to come in under budget has made him a valuable part of our team. Follow up service has been prompt and professional.

Mr. Armstrong's professionalism is only matched by his honesty and integrity. I have and continue to give Mr. Armstrong and APS my highest recommendation.

Sincerely,

Michael S. Scherer, DDS, MD
